Dear Colleague

The University of Manchester: Equity and Merit Scholarships 2014 / 2015

The University of Manchester is pleased to invite applications for postgraduate scholarships starting in September 2014. The scholarships are intended to support students from Bangladesh, who would not otherwise be able to study in the UK.

The scholarships cover full tuition fees, return international airfares, and living expenses.

You will find the details of the scholarships at the following link:
www.manchester.ac.uk/international/equity-and-merit

The programme is managed by British Council Bangladesh on behalf of the University.
For your reference I have attached a poster for your notice board.

I look forward to your support and hope you will share this wonderful opportunity to eligible candidates within your network. Please do not hesitate to contact me if you have any query.

Yours sincerely
