Invitation for Participation in the Internship Programme under the BWCSR Project

Dear Students,

Bangladesh Meteorological Department (BMD) has been implementing the project entitled ‘ Bangladesh Weather and Climate Services Regional Project (Component A) with the support of the World Bank (WB). Under the project, BMD intends to offer short-term (06 Months) and long-term (12 Months) Internship Programmes to explore meteorological knowledge in Bangladesh through young graduates and researchers working either individually or at different Public/Private Universities.

Applications are invited from eligible Bangladesh Citizens to undertake an internship with BMD and carry out research work on the designated research problem under the supervision of BMD.

The selected graduates/researchers will be paid a lump sum honorarium grant under this program. Qualification, selection procedure of the interested candidates, and terms of conditions under the Internship program can be found in the following link –
