

AIUB RANKED GLOBALLY WITHIN 20, IN

WORLD UNIVERSITIES WITH REAL IMPACT (WURI) 2023 RANKING

WURI ranking of innovative universities is organized by the Institute for Policy and Strategy on National Competitiveness (IPSNC), and is supported by four other organizations including United Nations Institute for Training and Research (UNITAR), the Hanseatic League of Universities (HLU) with 120+ member universities of the world, the Institute for Industrial Policy Studies (IPS) from Seoul, South Korea, and the Tailor Institute of Franklin University Switzerland (FUS) from Lugano, Switzerland.

American International University-Bangladesh (AIUB) has been ranked in top 50 in two categories of World Universities with Real Impact (WURI) 2023 Ranking. Based on the submitted projects, WURI has ranked AIUB in TOP 50 in the area of Fourth Industrial Revolution and Crisis Management. In the Fourth Industrial Revaluation category AIUB is top ranked among all the participated universities from Bangladesh. In the Crisis Management category AIUB is ranked in the Top 50 list worldwide. Moreover, AIUB is in the position of 51-100 in Industrial Application and 101-200 in the Global Top 100 Innovative Universities list. Following is the summary illustrating the position of AIUB in WURI 2023 ranking worldwide:

Areas	Rank of AIUB
Global Top 100 Innovative Universities	101-200
Top 50 Fourth Industrial Revolution	17
Top 50 Crisis Management	35
Industrial Application	51-100
